

1. Name is Santosh Timbers – with an S at end. This change everywhere
2. Change top line to to – Over Hundred years of timber excellence
Change mid line to – One of India's leading timber importers and stockists of KD Seasoned / Dry Wood
Change last line to – Family owned legacy business since 5 generations. We run a sawmill and timber trading business working across 20+ countries & 6 continents.

3. Remove this

4. Change to 100+

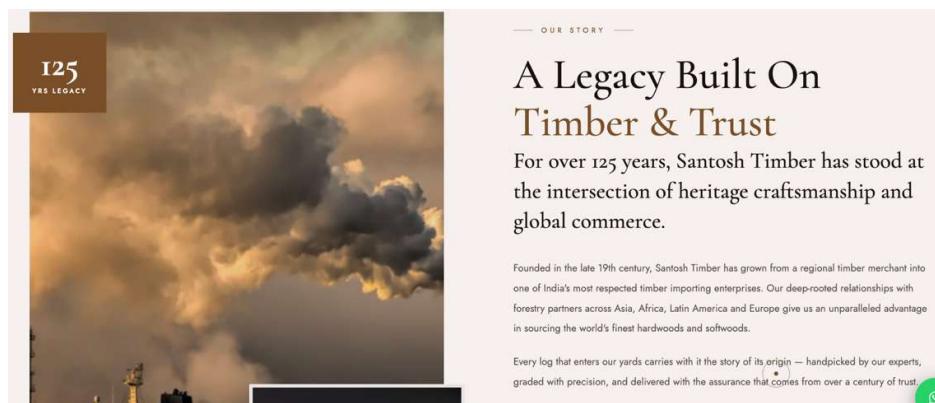

5. Change 125 in left box to 100+; Santosh Timber to Santosh Timbers

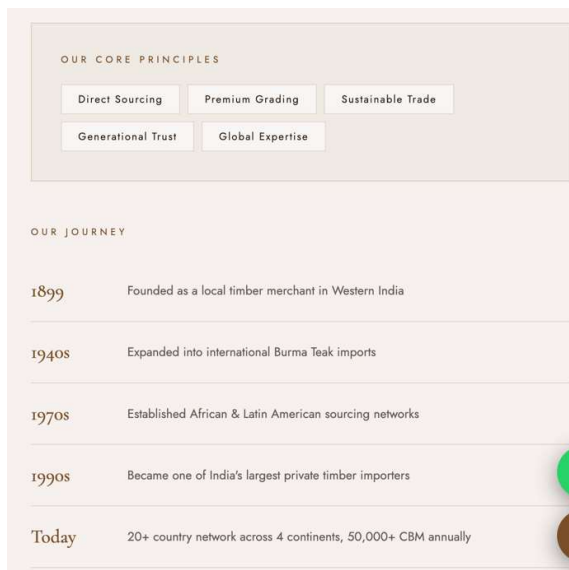

Remove mid line to

Change last line to - Santosh Timbers has been sourcing exceptional timber from across Europe, Africa, Asia, and Latin America. Combining global reach with generations of knowledge, we deliver premium hardwoods and softwoods to manufacturers, architects, and carpenters who demand the very best. More than 100 years later, our values remain unchanged: quality, integrity, and long-term relationships.

Also we need to change the photo here and we can put a scrolling photo of 6-8 photos that can be scrolled left / right

6. Remove both – Our core principles and Our Journey

7. Replace the word 'ultra luxury' and make it 'durable hardwoods'

An exhaustive catalog of premium timbers sourced from 20+ countries. Explore our complete range from ultra-luxury hardwoods to industrial softwoods.

8. Changes in this -

01 Teakwood – just write Teak

Remove the bottom entire line and replace it with the exact sub category that we have. So in Teak – we need neeche Burma, African Super Premium, African Premium, African Commercial, Latin American, Asian -

Do the same for all other woods. The subcategories to be visible neeche and if we click we get more details on each sub category.

03 Oak Wood – just write Oak

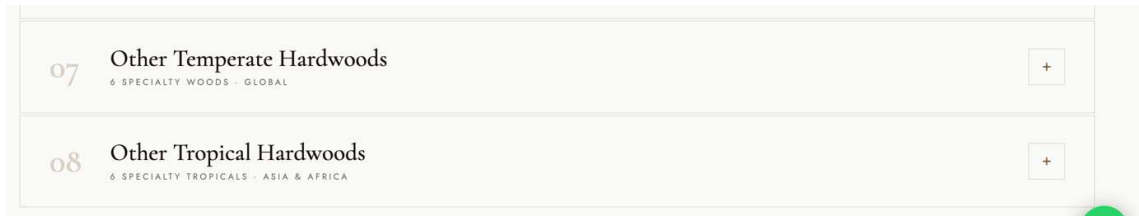

04 White Ash – because we don't have subcategory – just write – European & American

05 Steam Beech – European

06 American Black Walnut – change name to Black Walnut and subcategory – American

01	Teakwood 6 SUB-CATEGORIES · ULTRA PREMIUM HARDWOOD · ASIA, AFRICA, LATIN AMERICA	
02	Pine & Other Softwoods 6 VARIETIES · VERSATILE SOFTWOOD · GLOBAL	
03	Oak Wood 3 VARIETIES · TIMELESS HARDWOOD · EUROPE & NORTH AMERICA	
04	White Ash EXCEPTIONAL HARDWOOD · NORTH AMERICA	
05	Steamed Beech EUROPEAN HARDWOOD · CENTRAL & EASTERN EUROPE	
06	American Black Walnut ULTRA-PREMIUM HARDWOOD · NORTH AMERICA	

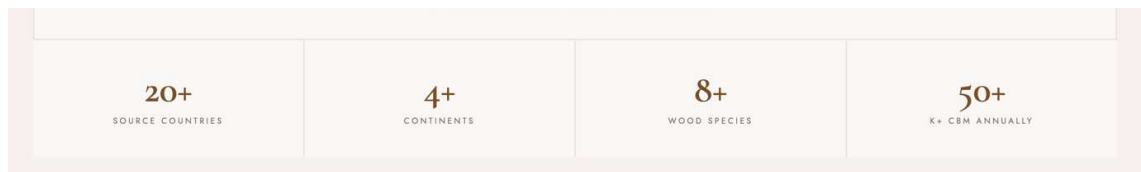

9. 07 Change name from Other Temperate Hardwoods to Other Temperate Woods. Remove '6 speciality woods. Global' and instead write the exact sub categories - Maple, Sycamore (both these are different, so also make separate sub category for each), Chestnut, Cedar, Elm, etc.
- 08 Change name from Other Tropical Hardwoods to Other Tropical Woods. Remove '6 speciality woods. Asia & Africa and instead write the exact sub categories - Merant, Rosewood, etc. etc.

10. Make it 6 continents. Change bottom line to - A vast international procurement network spanning across some of worlds's richest timber producing regions.

11. Remove this

12. Keep India on first. Remove (MP/CP). Just India.

Also keep them continent wise together. You can write in left continent name and then countries. See below full list (follow the same order)

Asia – India, Myanmar, Laos, Cambodia, Malaysia, Thailand

Africa – Ghana, Nigeria, Sudan, Benin, Togo, Tanzania, Ivory Coast, CA Republic, Angola, Uganda, South Africa

Latin America – Ecuador, Brazil, Panama, Colombia, Venezuela, Costa Rica, Guatemala, Argentina, Uruguay

America – USA, Canada, Mexico

Europe – Germany, Austria, France, Croatia, Romania, Bosnia, Slovenia, Poland and Serbia

Oceania – New Zealand

 MYANMAR	 TANZANIA	 BENIN	 TOGO	 CAMEROON	 ANGOLA	 SUDAN	 NIGERIA	 IVORY COAST
 C.A. REPUBLIC	 GHANA	 ECUADOR	 COSTA RICA	 VENEZUELA	 BRAZIL	 USA	 GERMANY	 NEW ZEALAND
 LAOS	 INDIA (MP/CP)							

13. Shorten the bottom lines of all 6 points – Make it shorter using AI. Make other changes like 125 years to 100+ years, remove 4 continents point. It's repetitive. Change Premium Grade Assurance – Large availability of ready KD Dry Seasoned stock. Bottom line for this – We hold over 2,00,000 Cubic Feet of Ready to use Dry wood to satisfy your needs immediately. Change Large scale import capability to – Pan India delivery with low MOQ. Bottom line – Can deliver to all cities and town – in both North and South India with as low Minimum Order Quantity as 50 CFT.

01 Direct Forest Sourcing

We source directly from managed forests, sawmills and certified plantation operators across 20+ countries. No middlemen. Pure quality at source, delivered to your doorstep.

02 125 Years of Expertise

Five generations of timber knowledge, relationships and expertise accumulated over 125 years. We don't just sell timber – we understand it from root to finish.

03 Global Procurement Network

An extensive network spanning 4 continents gives us access to rare species, premium grades and exclusive lots that most importers simply cannot procure.

04 Premium Grade Assurance

Every shipment undergoes rigorous grading by our in-house experts. Our strict quality protocols ensure you receive exactly the grade you specify – every single time.

05 Large-Scale Import Capability

As one of India's largest importers, we handle volumes that enable competitive pricing without compromising quality. Full container loads to mixed specialty orders.

06 Trusted by Leading Industries

From luxury furniture makers to shipbuilders, architects to interior designers – the who's who of Indian industry have relied on Santosh Timber for premium wood supplies.

TIMBER YARD

Santosh Timber, Main Timber Market

Mumbai, Maharashtra, India

15. In Fill form – Just ask for these blanks

Name (needed – mark star)

Company

Phone (needed – mark star)

Email

Message / Specifications

And send enquiry should have an automated email to our email address – santoshtimbersindia@gmail.com so that the query comes to us as an email in our inbox

16. Logo of Santosh Timbers – Can you make a nice one using AI? Give me 5-6 options and we can select one and use it. Use Green / Wood brown / Wood cream colour.

17. Also can we change the overall Colour you've used – Golden.

Can we do like green / blue or some other neutral soothing colour.

The lighter theme looks good for sure than the black theme. So we keep it that way.
